"Voters with Special Needs:"

1. Vote with the "Access Writer" Machine.
2. Voting with assistance.
3. Curbside Voting.
4. Voting by mail.

*For more info go to www.VoteDenton.com, click Voter Information, then click "Voters with Special needs", "more information" ...

1. The HART InterCivic Verity Touch Writer with Access voting unit is available at all voting locations to serve Denton County voters who are blind, have limited vision or limited dexterity that prevents them from marking the ballot without assistance. This is an ADA compliant voting system that is certified by the Texas Board of Elections for use in Texas.

2. Voters May Receive Assistance at the Polls

Tell the election official if you are a voter who needs help to vote. You do not have to provide proof of your disability. Voters are entitled to receive assistance if they: Cannot read or write; or have a physical disability that prevents them from reading or marking the ballot; or cannot speak English, or communicate only with sign language, and want assistance in communicating with election officials. Voters may be assisted by: Any person the voter chooses who is not an election worker; two election workers on Election Day; or one election worker during early voting.

3. Curbside Voting

If a voter is physically unable to enter the polling place, he or she may ask that an election officer bring a ballot to the entrance of the polling place or to a car parked at the curbside. After the voter marks the ballot, they will give it to the election officer, who will put it in the ballot box. Or, at the voter's request, a companion may hand the voter a ballot and deposit it for him or her.

*TIP FOR VOTER WITH DISABILITY: If you plan to go alone to vote curbside, it is wise to call ahead so election officials will expect you.

4. Voters May Vote Early, or by Mail

If a voter will be 65 years of age or older on Election Day, has a disability, or will be outside the county during early voting hours and on Election Day, the voter can apply to vote by mail. Simply submit a completed and signed Application for a Ballot by Mail. Print from:
